

Awareness **Impact** & Motivation Specialist

Dear Potential Sponsor:

Awareness Impact & Motivation Specialist (AIMS)--www.awarenessims.com--is a training, coaching and leadership development organization for women. Its mission is to increase the Awareness, explore the Impact, and determine the Motivation of women in order for them to take and maintain control of their lives. Through a journey of self-discovery and training, women can be empowered to develop and achieve leadership and self-actualization skills that are vital for them to improve the conditions of life in their communities--locally, nationally and globally.

Would your organization consider being a sponsor for this new, inspiring, upcoming Women Empowerment Conference being held on *October 9, 2015 at Holiday Inn, Crystal Lake, IL*? The conference theme is "Enhancing Your Inner CORE." Enhancing your inner CORE infers that women can reach a higher level of intensity within at least one of the five core areas in their lives: physical, psychological, social, spiritual, and/or financial. This conference is designed to render a permanent impact on the lives of women.

As a sponsor of the conference, you are demonstrating that you understand the importance of women expanding the range and depth of their ability to become noticeably more effective. This [one-day conference](#) propels women to become the person they dreamed of being: self-confident, self-assured, possessing the strength to enhance their inner CORE in at least one of the five areas.

I would like to thank you for your consideration; our sponsorship packages are included. The success of our conference depends on the generosity of companies and individuals such as you. Depending on which sponsorship packages you select, in order to meet our printing deadlines we ask that you please forward your sponsorship and logo and/or ads to us no later than July 30, 2015. For more information, please contact Dr. Flecia Thomas, at 708-466-3532.

Sincerely,

Flecia Thomas, Ph.D.

Flecia Thomas, Ph.D.
President, Awareness Impact & Motivation Specialist
Permanently impacting the lives of women and girls.
